

SCHOOL AT THE FAIR

Novel Feature to Be Shown Friday by the

KENT COUNTY FAIR MANAGERS

Want to Be Erected and a Kindergarten Started in Fall Blast-Fun for the Babies.

The Hon. Charles A. Garfield, and Mrs. S. A. Fletcher have arranged for a novel exhibit of kindergarten work on the Kent county fair ground. They have secured a large tent, which will be set up on the grounds, floored and put in chairs for a kindergarten. Mr. J. A. J. Friedrich has furnished a piano, and on Friday Radcliffe & Holt's biggest wagon will be taken out to the fair. The wagon will be fully decorated for the occasion and every thing possible done to amuse and entertain the children. A Paris township lady will provide a dinner, and they will be taken care of in excellent shape. At the same time visitors at the fair on that day will be enabled to see the practical workings of a kindergarten.

Bright Prospects.

"Everything looks bright for the success of the Kent county fair," remarked the Hon. Charles E. Garfield to a Herald reporter yesterday. "All the space is taken in art hall, and the exhibit promises to be large. The teachers were out to the grounds today arranging for the exhibit of the public schools. The stock is coming in rapidly, and there is no doubt that the exhibit in this department will be equal to anything previously given."

to Tibbs' drug store on account of the burning of an evening. The alarm from box 102 at 9:30 was caused by the burning of a tenant house at the corner of Third street and Cliff avenue. The house was valued at \$400 and was totally destroyed. The owner of the building was unknown but had been placed with C. E. Mercer as agent. The residence adjoining, owned by Clara Cinderson, was also slightly damaged. The cause of the fire is unknown.

Yesterday afternoon a large colored woman called on the secretary of the Charity society and asked for work. "What can you do?" was asked. "Lord bless yo' child, I kin wash, or iron, or cook."

There was no work on hand suited to the condition of her "physiquy" so she was told to call again.

Could Not Explain.

A young man employed in the Hazen composing room, a dead mule, was taken in charge by the policeman on the Shawmut avenue boat early Monday morning. The young fellow did not hear and could not make reply to the policeman's hail, so the officer grabbed him by the arm. DIED SUDDENLY.

An Old Resident Passes Over to the Majority.

Millard N. Martin, one of the oldest and better known residents of the city, died suddenly early yesterday morning at the age of 72 years of heart trouble. For a number of months his wife has been in poor health, and this morning, shortly after 6 o'clock, he was called to her bedside. After rendering such assistance as he could, he again laid down and within a few minutes those in the house were attracted to his room by his struggles. Medical aid was hastily summoned, but before a physician could arrive the struggle was over and he lay back dead. A number of children survive him. Two sons and a daughter, Mrs. Burritt Wartous, reside in this city.

School Opened Yesterday With 12,000 Pupils.

School opened yesterday, and while the 12,000 pupils did not do a great deal of studying the teachers were pretty busy getting ready for business. Every thing passed off pleasantly just as Sup't. This is about 800 increase over last year.

TEETH!

Beautiful teeth are a luxury few possess.

We have heard people say they would give anything they had for such beautiful teeth as these.

The true secret is not so much in the perfectness of the teeth as in the snow like whiteness and the brilliant polish.

All teeth are capable of this with proper care. Washes and pastes should be avoided as they are injurious as are also many of the powders. A properly prepared powder, however, is the only right and perfect thing to cleanse and preserve the teeth. This we have succeeded in producing after much labor and expense. The formula is by one of the most noted dentists of this country and is absolutely perfect.

SAPONITA—is the name we have adopted for it, and we are the exclusive owners and manufacturers. We guarantee Saponita to be the only perfect tooth powder on the market. That it will prevent decay and render the teeth more beautiful with less trouble than any other preparation is to be had.
